The 5-star Hotel Marinela Sofia is the hallmark in the Victoria Group® Hotels and Resorts rich hotel portfolio. It is one of the flagship buildings in Sofia and the stronghold of highlife in Bulgaria. Designed by the famous Architect Kisho Kurokawa, the Hotel (known as ‘the Japanese”), combines traditional Bulgarian and Japanese architecture with the most modern infrastructure and interior design.

The hotel’s huge accommodation capacity offers service and amenities to suit the individual needs of both business and leisure travellers. Guests are welcome to enjoy various recreational facilities including indoor pool, unique Japanese garden, spa, professionally equipped gym. Guestrooms are designed to provide comfort with welcoming décor and convenient amenities.

At Hotel Marinela Sofia a business journey turns into a great success. The venues offer unlimited possibilities for organizing events – from business rooms for meetings and conferences to the largest multifunctional hall Exhibition Forum Events.

With its amazing infrastructure and high standards of service, Hotel Marinela Sofia is recognized by the worldwide organization World Luxury Hotel Awards with a high prize in the luxurious hotel segment at the 2016 & 2017.
