## a new philosophy

Sea blue. A space where everything is possible. When the murmuring water begins to caress your body, a magical ambience is created where everything flows. A perfect place to relax and unwind.

## a space to enjoy

A place to practice sports while contemplating the horizon, where you can contemplate the moon or have a massage after an exhausting day.

## a place for the senses

An exquisite dish by candlelight with the sound of the waves as a backdrop. A drink with friends in a pleasant setting.

A moment for resting and another moment for celebration. For intense enjoyment. Pleasure for pleasure's sake in the passionate adventure of feeling alive.

## drink&eat

### beach club estrella del mar restaurant

By day we offer a light, healthy menu for lunch by the sea.

### baraka beach restaurant

At night, the restaurant turns into Baraka Beach, with chef Chef Sergio Garrido and a menu designed for dinner with the sea as a backdrop. An exclusive setting to enjoy the cuisine of Andalusia and Malaga.

### bar lounge

By day, the best cocktails and our varied snack menu. An aperitif in the fresh air, a drink when evening arrives. And when the morning takes over, one thousand ways to have a good time while sensing the beach nearby.

## gardens&swimming pools

By day, the continual temptation of swimming and sun. By night, an unsurpassed meeting place. Indoor and outdoor pool, where the water serves as a magnet for everyone's gaze.

## events&meetings

A different event in an exclusive setting. A large hall for the celebration of private events in Marbella, meetings or celebrations: 200 square meters and capacity for 250 persons that can be expanded with a balcony measuring more than 100 meters with a direct view of the sea.
