# CRAFTSMANSHIP OF CARE

The way we value authenticity, the trouble we take on individual details, grounded with a style that's discreet rather than merely ostentatious. All of these are the little ways we try to make a big difference.

Just like craftsmen have always done over the ages.

Alfred Pisani  
Founder Corinthia Hotels

# RESTAURANTS AND BARS

Fine dining was the first **passion** of Corinthia founder, which is why five star restaurants, cafes and bars of the highest caliber grace the heart of every Corinthia hotel.

For a truly **unique** experience, dine in the impressive Imperial restaurant and sample from an exciting array of **authentic** dishes from all over the world. Unwind and relax at the Lobby Bar or Nevsky Bar or indulge in pastries and a proper cup of English tea at Café Vienna.

Breakfast with a panoramic view on Nevsky prospect

# ECO POLICY

The first ECO certified hotel in St. Petersburg. Taking care of environment is our responsibility:

- Conference participants are given a choice: a reusable pen or a pencil as many members of green conferences prefer to use pencils considering them to be more environmentally friendly
- Pads for participants are from recyclable paper
- Garbage recycling
- Free Wi-Fi access in order to limit printed materials
- Preference in menus for local products
- Environmentally friendly household cleaning products
- Water and electricity saving, reduction of chemicals usage programs
