Nuremberg - the city of THE metropolitan region Franconia

Nuremberg is world-famous for its christmas market. But business is done throughout the year. The branches of business are as manifold as the history-laden city itself. Fairs and meetings of all kinds are held in the city's large exhibition areas.

- Manufacturing of toys and writing utensils
- Production and export of food, mostly regional specialities like „Bratwürste“ (Nuremberg sausages) and „Lebkuchen“ (gingerbread)
- Center for Trade and Logistics located at the port, with main focus on export
- Innovative provision of services within the branches finance, market research, consulting services for economists and engineers
- Trade-fair and congress city, major events in 4 halls at different locations in the city
- Location of many international companies eg Datev, Siemens, Novartis, Electrolux, Alcatel-Lucent
- at close quarters of the hotel
