GOLF IN QUINTA DO LAGO

QUINTA DO LAGO NORTH & SOUTH

Wide lakes, undulating fairways and strategic bunkers characterize the terrain, along with carefully tended greens, considered some of the best in Portugal. Framed by a distinctive canopy of umbrella pines, the fairways wind their way past wild flowers, broom and heather, offering tantalizing views of the Ria Formosa National Park on one side and the Atlantic coastline on the other.

LARANJAL

Laranjal course is the new kid on the block at Quinta do Lago (opened in 2009) and reputation of third is already growing. It has been voted Best Golf Course at the Portuguese Travel Awards 2011. Laranjal is renowned for its five beautiful lakes and its abundance of umbrella pines, cork and orange trees.

VALE DO LOBO ROYAL & OCEANICO

Based on original concepts by the legendary Sir Henry Cotton and re-developed by the respected American golf architect Rocky Roquemore, the Vale do Lobo courses have twice been host to the Portuguese Open. Both take players through umbrella pine and fig tree-lined fairways to the Atlantic – the Royal playing dramatically along the cliff's edge, while the Ocean sweeps daintily down to the beach.

PINHEIROS ALTOS

Pinheiros Altos is established as one of the most prestigious and successful premier golf and leisure resorts in Europe (New Hotel resort currently being built). Pinheiros Altos Golf Resort is located in the Ria Formosa National Park.

MONTE REI
GOLF CLUB

MONTE REI

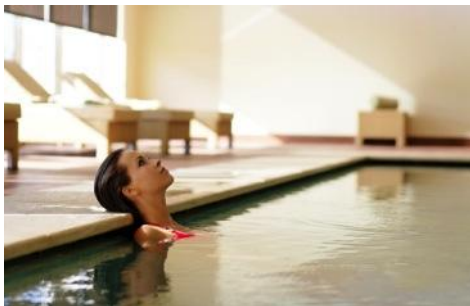

The golf course's presentation is highly individual, each hole a design gem blending effortlessly into this natural canvas, from its ingeniously shaped and sculptured bunkers, to the impressive presentation and attention to detail making every hole as remarkable as the next; fairways and greens are bordered by several lakes and trees adding drama to the landscape, and providing golfers with unforgettable moments to cherish.
