THE MARGI

A warm, inviting living room interior. In the center, a fireplace with a stone surround is set against a textured, light-colored wall. To the left, a dark leather wingback chair sits on a patterned rug, with a stack of several books resting on its seat. In the foreground, a round wooden coffee table holds a golden chalice. To the right, a leather sofa is partially visible. A framed abstract painting hangs on the wall above the fireplace, and a vertical light fixture is visible on the left wall. The overall atmosphere is cozy and sophisticated.
