Around 325 days of sunshine per year...

Surrounded by the Sierra Bermeja mountains and the Mediterranean Sea, the hotel location enjoys a micro climate with around 325 sunny days per year.

Clear blue skies make this most southern point of Europe one of the highest light intensity locations in the World.

The Mediterranean climate gives warm dry summers (April - October) and mild winters.

Average Summer temperatures vary between 25 and 30 degrees, with a yearly average temperature of around 20 degrees.

In Estepona, around 90% of all days of the year start with a beautiful sunrise...

LOCATION – WHERE TWO CONTINENTS MEET

**Kempinski
Hotel Bahía**

MARBELLA ESTEPONA

A LEADING GOLF DESTINATION

The Costa del Sol is the perfect destination for golf lovers. With more than 70 golf courses, the highest concentration in all Europe, it is deservedly named as Costa del Golf.

Here you will find stunning views and legendary courses such as Valderrama, which has been recognised as the **best golf course in Europe**.

MARBELLA & PUERTO BANUS

With 27 km of Mediterranean beaches, villas, hotels, and golf courses, **Marbella** is considered to be one of the leading luxury destinations in Europe.

The Golden Mile of prestigious nightclubs and coastal estates leads to **Puerto Banús** marina, filled with luxury yachts, and surrounded by upmarket boutiques and bars.

ASCARI RACE TRACK

Ascari is the longest track in Spain, and “**one of the most spectacular in the world**”.

The backdrop to Ascari is a nature lovers’ paradise. Mountains and indigenous woodland characterise a terrain devoid of advertising boards common to other circuits.

They offer half or full day experiences for individual guests as well as group programmes.

CITIES OF ANDALUSIA

Less than 5 minutes away from the Hotel you will find **Estepona**, a beautiful and traditional Andalusian city where you can have a taste of the delicious local cuisine.

You can also visit some of the most important Andalusian landmarks such as the **Alcázar castle in Seville**, the capital city, as well as **Córdoba's Mezquita Mosque - Cathedral** and **Granada's Alhambra palace**.

MOROCCO

There are several daily ferry services from Tarifa to Tangier so why not take a day-trip and visit the souk in this beautiful, historic Moroccan city with a rich literary and artistic heritage?

It's a fast, easy journey of around 50 minutes, leaving from the small but efficient port in Tarifa, with morning departures and evening returns allowing you the whole day to explore this wonderful north African city.

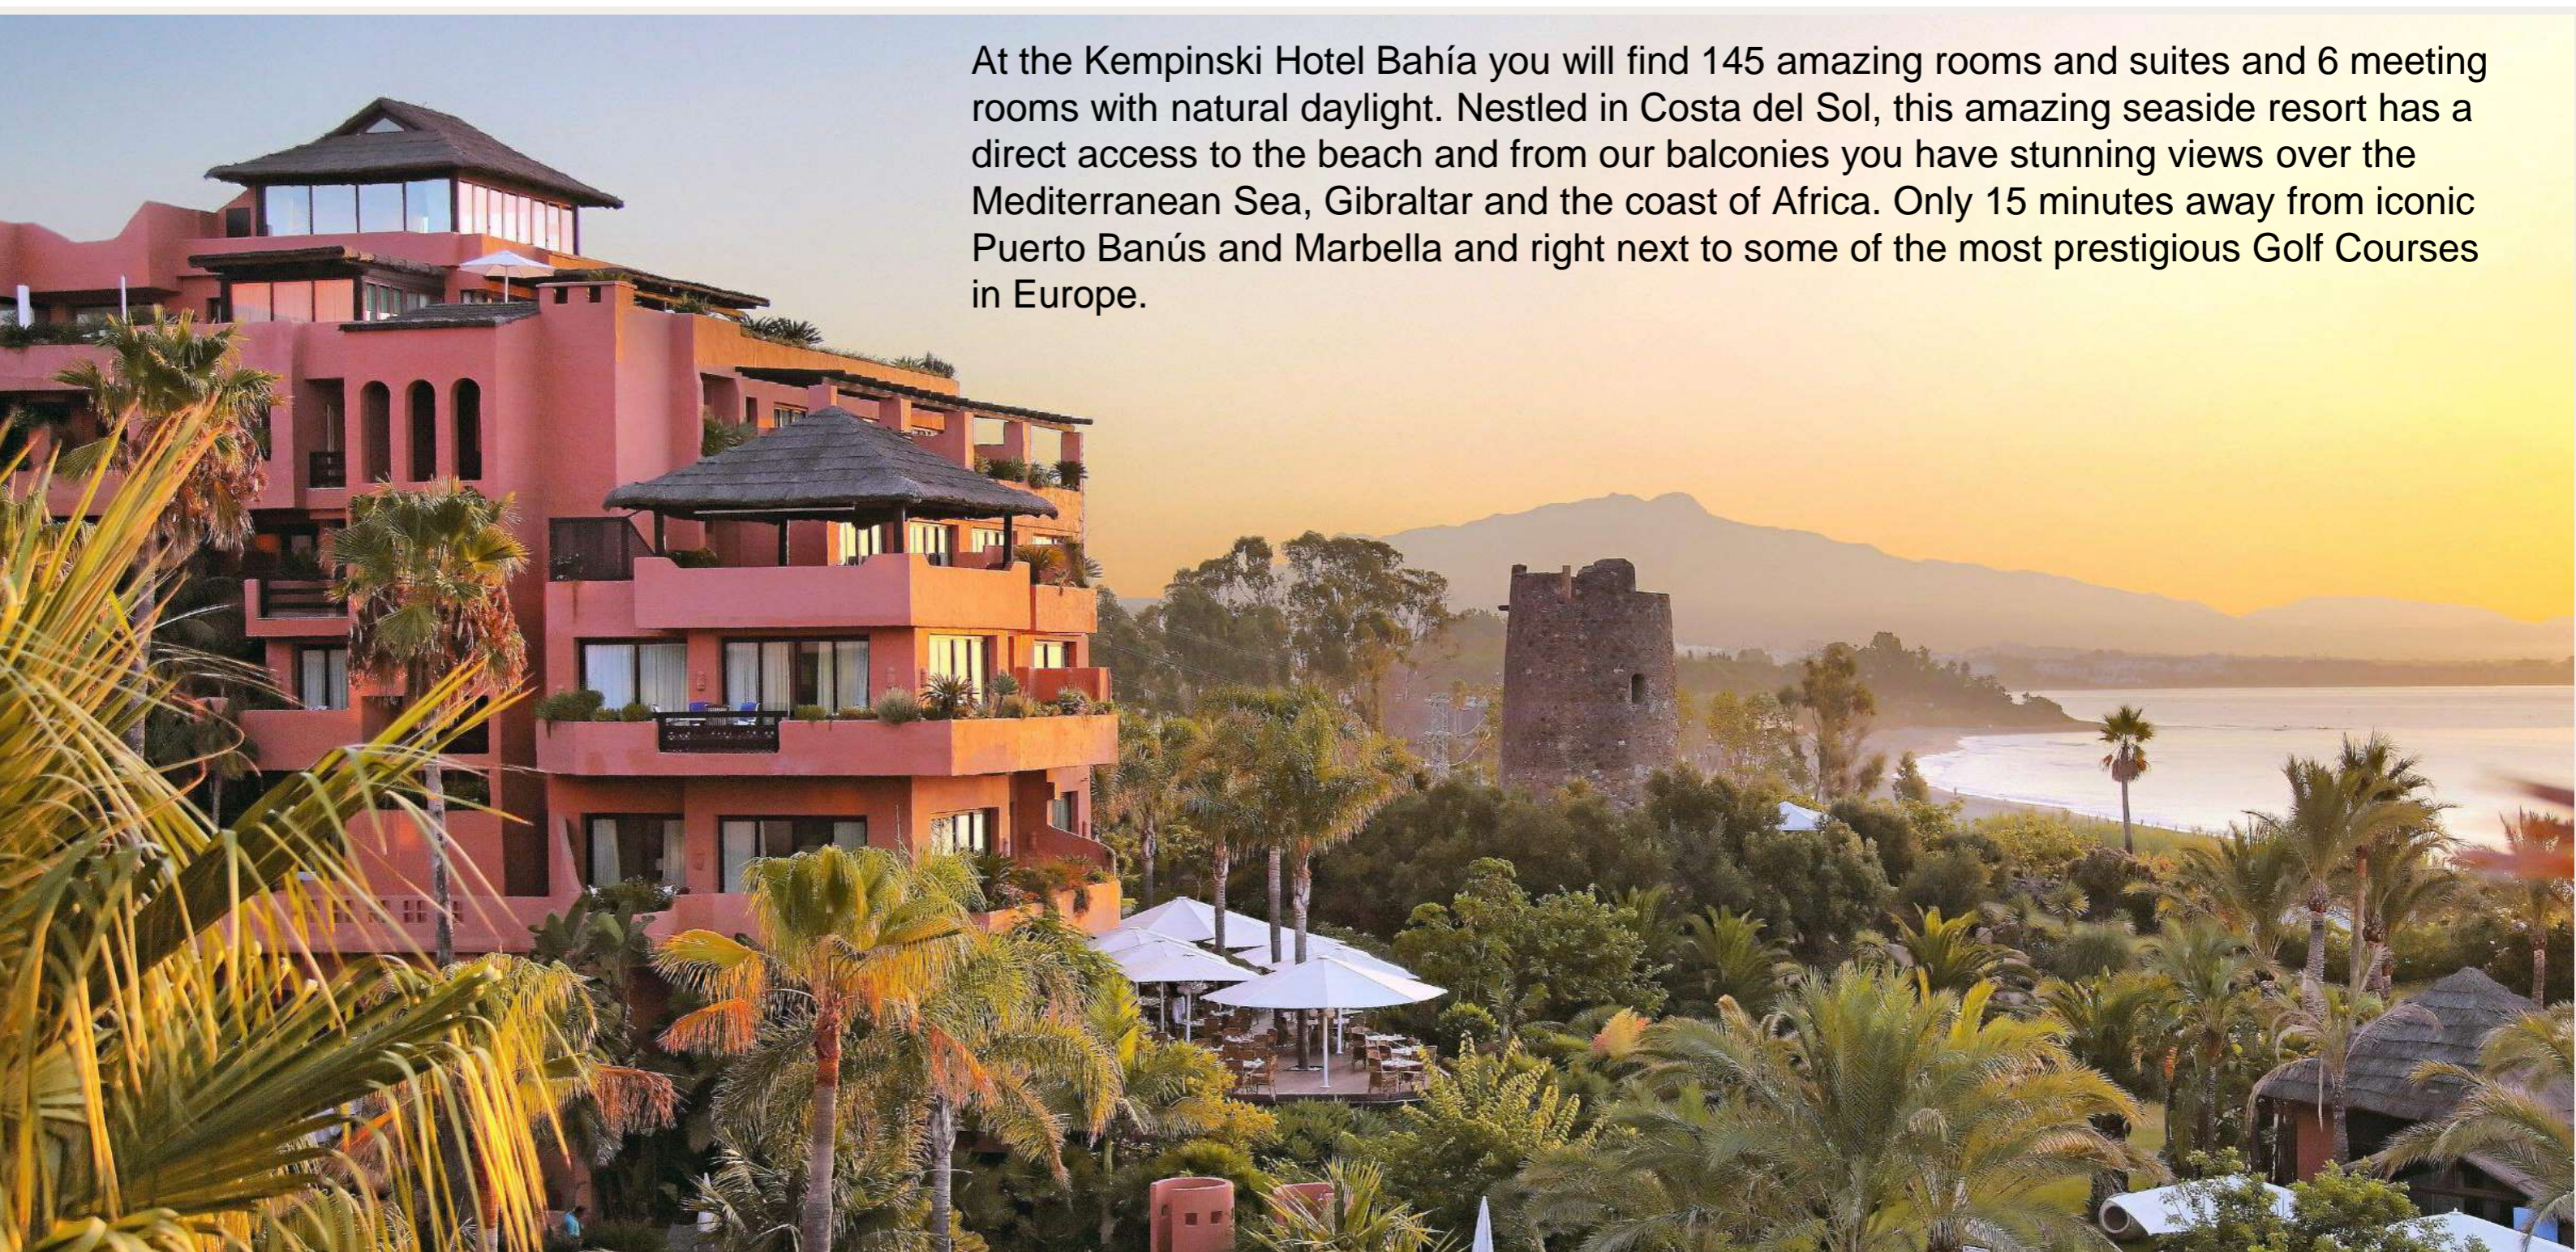

RONDA

Ronda is a mountaintop city in Spain's Malaga province that's set dramatically above a deep gorge.

This gorge (El Tajo) separates the city's circa- 15th - century new town from its old town, dating to Moorish rule. Puente Nuevo, a stone bridge spanning the gorge, has a lookout offering views. New town's Plaza de Toros, a legendary 18th-century bullring, is one of the city's most recognizable landmarks.
