SURROUNDINGS

Our hotel is just a 12-minute drive from Amsterdam, located directly on the A2. Looking for green surroundings during your stay? With a view over the extensive Lakes of Vinkeveen, our hotel provides a great combination of green surroundings and city environment.

LAKES OF VINKEVEEN

From our hotel, you look out over the green surroundings of the Lakes of Vinkeveen. Our private harbour gives you direct access to the lakes. Explore the various islands yourself by boat or canoe. Prefer to relax and enjoy the surroundings? Our captains will be happy to take any group on a boat trip. Rather stay on dry land? If so, rent a bike in our hotel and explore the Green Heart on two wheels.

AMSTERDAM

There's always something to do in Amsterdam. The capital is famous for its canals, the Anne Frank house and the Heineken brewery. Besides these attractions, Amsterdam has lots more to offer. For example, you could visit one of the Museums on Museumplein, such as the Rijksmuseum, the Stedelijk Museum and the Van Gogh Museum.

SCHIPHOL AIRPORT

You can reach Schiphol Airport in 15 minutes. Thanks to our location on the A2, international guests can arrive at our hotel in no time. With 24/7 BRKFST, we help you get over any jet lag. After a long flight, it's wonderful to relax on the Lakes of Vinkeveen.

UTRECHT

The historic centre of Utrecht is just 18 minutes away. This is one of the oldest cities in the Netherlands. Utrecht is an important historic centre, most of which is surrounded by a canal. After Amsterdam and Maastricht, Utrecht has the largest number of historic monuments. The city's most characteristic feature is the Domtoren, from which it gets its nickname Domstad. From the Domtoren, you have a spectacular view over Utrecht and the surroundings. The picturesque canals are unusual due to the low quaysides with their wharf cellars.

IN THE CASE OF FIRE

In the case of fire or emergencies, we want to inform you in advance how we respond and the best way to leave the building.

In the case of fire, a fire alarm goes off. The escape route can be found on the doors of the hotel rooms and in the Event Centre. During a fire alarm, the lifts will not operate. Guests should therefore take the stairs to go downstairs if they are on a higher floor. In the case of emergencies, all guests are requested to assemble at the meeting point. This is on the right-hand side of the building, on the grass by the car park. Guests should report in person to hotel staff. The staff and hotel security will instruct the guests on how to proceed.
