

ME Sitges Terramar has reinterpreted luxury with a Mediterranean perspective to offer our guests innovative experiences exuding style. The avant-garde architecture, with spaces filled with light, and hedonist ambience conducive to socialising have turned the hotel into the trendiest place for get-togethers on the Catalan coast.

Time for relaxation alternates with bustling activity so you can explore the many facets of Sitges. Enjoy some peace and quiet by the pool, let our magnificent chefs tempt you with their creations or sip a drink in our exclusive Beach Club, which will open in 2018, while listening to entertainment provided by some of the best DJs.

For a start, it's in a unique location on a sandy beach, caressed by the sun and the sea breeze. Be inspired by the original reinterpretation of Basque recipes with touches of local cuisine, exquisite seasonal ingredients and a presentation that packs a punch. And when it's time to soak up the sun, don't forget the big surprise. Order your favourite cocktail, dance to the beat of the best music, let your gaze wander and see where the magic of the night takes you.

Oyster Bar Because you're unique, ME Sitges isn't like any other hotel. We like to give things an unexpected twist so you have a supercool experience. Our gastro bar is in the lobby so we can greet you with more than a broad smile. Because we welcome you to the hotel with the best selection of fresh top-quality seafood, such as oysters or crab, or a range of national and international cheeses. All washed down with wines, cava and champagnes from our extraordinary wine cellar. Can you think of a better way to start your stay with us?

Pool Bites This stimulating pool bar is a perfect setting for chatting, unwinding and recharging your batteries while you sip delicious natural juices, smoothies and fruit and superfood cocktails. A charming space overlooking the sea and the pool area with a trendy, relaxed ambience. The light decor in shades of white and reminders of nature is an evocative invitation to celebrate life and enjoy the moment while the breeze caresses you.

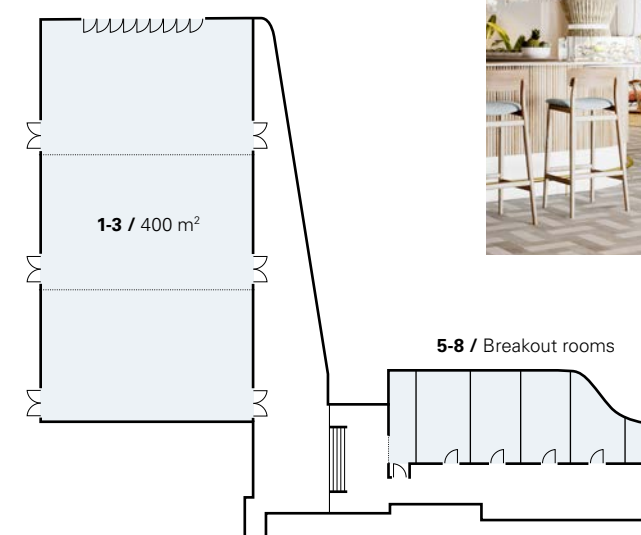

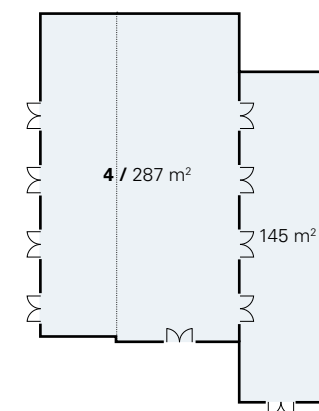

Terramar Our main restaurant, Beso, exudes creativity with some exciting twists. Enjoy the spectacular staging of its tempting Mediterranean-inspired dishes, fabulous paellas and all the other amazing offerings on the menu. Nowhere else will you have tasted such unexpectedly delicious combinations. Discover an impactful foodie experience in a vibrant setting where imagination seems endless.
