Companies are increasingly looking for dynamically different spaces to stimulate innovation. The Innovation Centre at Killashee is the perfect location to bring your blue sky thinking to another level.

This brand new state of the art Conference Centre is the perfect marriage of old and new. Located in the Original House, this space was formerly the Nun's Kitchen. Dating back to 1861, it has a wealth of history and character. Carefully restored, the Innovation Centre now offers clients the latest technology and a diverse range of rooms to meet every corporate need from team building to creative thinking.

Spaces include one main plenary room, five Break Out Rooms, a Brainstorming Room, Business Centre, Central Networking Area and a Private Courtyard. Key features include an abundance of natural daylight in all meeting rooms and direct access to the beautifully manicured Fountain Gardens and Emma's Butterfly Garden.

The Brainstorming Room has been designed with creative thinking in mind. Covered entirely with 'Smart Wall Paint', the room becomes a huge white board, allowing delegates to have an immersive creativity experience.

All syndicate rooms have state of the art equipment and acoustic wall panelling and 100MB of free WIFI come as standard throughout. Delegates can also make use of a fully equipped Business Centre and Central Networking Area.

So next time you need to space to work, think, network or create just call us on 045 879277 or mail sales@killasheehotel.com - we'd love to help.
