A special highlight is 'Die Küche München', our event kitchen, where spectacular kitchen parties take place on a regular basis.

**IAN BAKER –**  
*Pâtissier of the Year 2015*

**... ALSO FOR TAKE-AWAY**

Still with the scent of his Mum's cakes and biscuits fresh in his nose, the then 16-year old resolutely pursued his career as Pâtissier. He learnt from a baking legend: David Avery, who famously created the wedding cake for Princess Diana and Prince Charles. Today, Ian creates sweet delicacies for our guests that conjure indulgent smiles at the hotel's Lobby, at events or at home.
