BARCELONA IS THE PERFECT  
MIX OF ART AND DESIGN.  
CULTURE AND LEISURE.  
HISTORY AND MODERNITY.

It's a city moored to a mountain that in turn is washed by sea.  
Creation and escape. Unique and full of contrasts.  
I rise above Avenida Diagonal, the central axis of the city.  
This is the place where the hustle and bustle of locals and  
the passion of travellers intersect. A place to enter and exit,  
the ideal spot to connect with the city's essence.

- Barcelona: perfectly connected to all the cities in Europe
- Situated on Avenida Diagonal, Barcelona's business and commercial hub
- 12 km from the airport
- 3 km from the centre of Barcelona
- 1-minute walk to Camp Nou

Aerial view of Barcelona at sunset. The Sagrada Família is the central focus, illuminated by the golden light of the setting sun. Several construction cranes are visible around the cathedral, indicating ongoing work. The city's dense urban landscape is visible in the foreground, and the mountains of the Collserola range are in the background under a hazy, orange sky.

# I AM SOFIA

## LUXURY PER SE IS NOT FOR ME ANYMORE

I am an idea, a concept, and the response to a need.  
I'm a universe where you'll always find everything you desire.  
Because you change throughout the day. You're not always  
the same person and I change with you. I'm the place where  
you'll always find something new, something surprising,  
something inspiring. I also happen to be a hotel.

**CONSOFIA**, the art of combining accommodation,

the space with the largest capacity in the city, advice and  
personalised attention.

It's the destination of choice for anyone wishing to organise  
a meeting or unique event in Barcelona.
