## Syndicate Suite

If you are looking to host a small formal or informal meeting for up to 14 people, that delivers a superior wow factor, the Brooklands Hotel can give you just that.

By holding your meeting in a Syndicate Suite, you can really make it unique and very personal. The large dining table will be set up for your meeting, with all the elements you would expect to find in a standard meeting room. In addition to the free standing projection screen, you will even have the luxury of a large u-shape sofa and 50" plasma screen.
