FROM A NEW PERSPECTIVE

Discover Le Méridien Hamburg, the lifestyle hotel located in the district of st. georg directly at the alster lake. The 285 rooms combine contemporary style with innovative artistic design - and alster lake view on request.

MEETING WITH A VIEW

Meetings + partys in twelve new rooms with alster lake view for up to 120 people. While the new conference centre is part of the hotel, it has separate entrances but stands alone as an exclusive location for conferences and events. The stage is yours: We are the right place for your car and product presentations and provide the right setting. Meet people and promote your business - Our renovated ballroom on the ground floor in the hotel offers 368 m² and accommodates up to 330 attendees and can be separated for smaller events.

The central location, just 20 minutes from the airport and close to downtown Hamburg; short distances between your hotel room and meeting point; as well as the numerous recreational activities all around the Alster. With us you find everything under one roof.

HERITAGE RESTAURANT & BAR [WELCOME TO THE ROOFTOP]

A glass elevator takes you up to the 9th floor and teases what you can expect up there: a spectacular waterfront view through a huge window alongside the tables. For the Dry Aged Steaks, the fire is lighted every evening in the 800° Southbend oven. In the double storey rooftop bar you can enjoy the Alster lake panorama with signature drinks and sushi by "GO by Steffen Henssler". Get together, right now!
