BURJ RAFAL HOTEL KEMPINSKI

Introduction

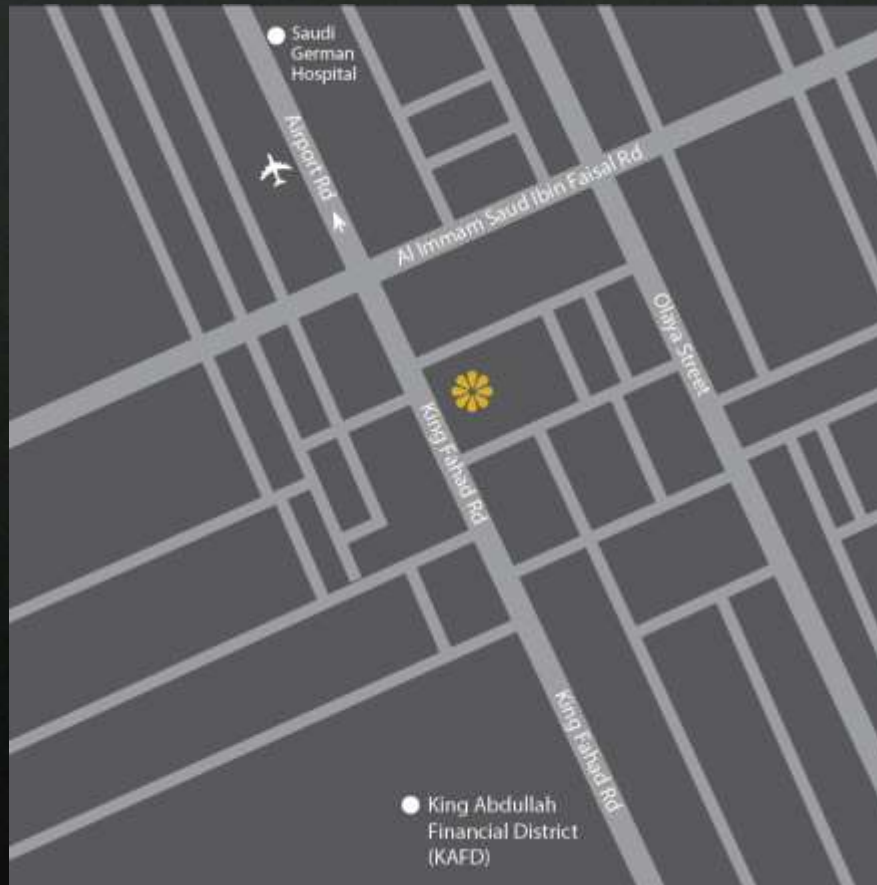

Burj Rafal Hotel Kempinski blends the Arabian values of hospitality and warmth with Kempinski management expertise and our remarkable European flair to bring you 349 rooms and suites with inspired, tasteful and stylish modern Najdi architecture.

At Kempinski, we have mastered the art of luxury and realise the genuine value of legacy and originality. This helps us to bring forth the finest traits and create an oasis of royalty, wherein each and every guest enjoys a distinctive experience.

BURJ RAFAL HOTEL KEMPINSKI

Location

Located in the 70 floors of the Burj Rafal Community, Burj Rafal Hotel Kempinski is perfectly situated in the heart of the new commercial and business district of Riyadh, on the King Fahad highway running from the airport into the city centre. The hotel is 27 km away from King Khalid International Airport.
