Sound volume licensing

1 - LICENCING

The extra sound license does not allow loud music until 02 am, it states that the legal noise limits must be respected, as per law "artigo 11º do decreto-lei nº9/2007 de 17 Janeiro". This law states the activity that implies noise must be developed inside the establishment in a way to safeguard and respect the neighbors right to rest.

The person requiring this special noise license must respect the legal restrictions, being responsible for any arising complaints.

When authorized, this special noise license allows music until the requested hours, nonetheless, from midnight onwards, the volume needs to be decreased in order to safeguard the right of the neighbors to rest.

The presence of the authorities due to complains may lead to the full stop of the sound / music.

2- SOUND POWER / DECIBELS

A maximum of 82 decibels is allowed by the city hall to Lakeside.

LAKESIDE TECHNICAL SPECIFICATIONS

All equipment must be connected to the installed sound limiter, as this is compulsory by law (CESVA LRF - 05)

<http://www.cesva.com/en/products/logger-limiters/lrf-05/> .

In the case of live bands, all instruments and sound equipment (including acoustic instruments) have to be connected to the sound limiter.

Music in this venue is allowed until Midnight.

Three-phase Electric Power: 125 AMP

3 - SPEAKERS / ORIENTATION

All sound system must be oriented towards the sea and ground.

Subwoofers can only be placed on the lower floor / dance floor, facing the sea and also connected to the sound limiter.

4 - RESPONSABILITY / AUTONOMY

The hotel has the right to lower the volume in case of a serious noise complaint.
