## Château de Nointel

“ The biggest Châteauform’  
estate, for team building or just  
walking ”

A Mansart chateau that combines the simplicity of the 17th century with the warmth of a human-scale home, with loads of sporting activities and relaxation, meeting rooms created from the former stables with large windows to let in nature, all located just half an hour from Paris by car or by train (the train station is just steps away) and 25 minutes from Roissy. This is the Château de Nointel, where you are close to everything, yet can still enjoy the quiet.

## The magic of meetings in the countryside

### Laure & Clément

We're eager to welcome you... The whole Nointel team will be at your side, so that you keep excellent memories of your seminar and that, like us, you fall in love with this enchanting place steeped in history.

### Thierry

Thierry attended the provincial hospitality school in Namur, then followed various courses in vegetable carving, sous-vide cooking and cooking at low temperatures. He came from Belgium to France, working in a one-Michelin-starred restaurant and joined Châteaufort in early 2015, to the delight of our participants. He is passionate about flavours and grows a wide variety of rare and unusual plants and vegetables. You have probably come across him at our houses in Italy or Switzerland, on his beloved motorbike.
