WELCOME TO YOUR PEACEFUL COUNTRY ESCAPE IN OUR LUXURY MEWS SUITES

Separate from the main hotel, access to the Mews suites are through secure gates and set within beautifully landscaped gardens created by RHS Chelsea Flower Show Gold award winner Ann-Marie Powell.

The Mews offer greater privacy to our guests and the choice of more individually designed rooms. Many of the suites feature fireplaces, four-poster beds, high-end kitchenettes, private gardens, exclusive cedar spa baths, iPod docking stations and mini bars enabling a truly self-sufficient stay. Some of our suites have the ability to connect, making them ideal for families.

All suites include a minimum sized 40" TV with Sky HD box including the full Sky Sports package, heated flooring to the en-suites, blackout blinds, coffee machine and access to a communal hydro pool.

Exclusive use of all 16 suites are subject to availability.

The Mews can be booked for a night or long stay and offer true flexibility.

All hotel facilities are available to Mews guests including 24 hour room service.

Boasting elegance and seduction, our Mews suites embody an aroma of complete serenity, indulgence and relaxation.

BEDROOMS

Our one bedroom and duplex Mews suites are complete with either King or Super-King sized beds for optimum space, comfort and relaxation.

Each Mews bedroom or studio is styled in a quintessentially British manner - with each named from plants, flowers and shrubs found in The Mews gardens such as Juneberry, Foxglove and Hawthorne.

LOUNGES

The Mews offer a luxurious choice of individually designed spacious lounges complete with large screen TVs, Sky HD with Sky Sports package, tea making facilities and air conditioning.

Some of our Mews suites include feature fireplaces offering neatly stacked logs alongside sleek gas fireplaces for the colder months. A number of rooms have sofa beds in the lounge to accommodate a child or additional adult.

*Soak away in the epitome of relaxation
with our luxury hydro pool and
unwind in the exclusive garden area,
where tranquillity is of the essence.*

KITCHENS

Some Mews suites offer high-end kitchenette and dining areas that feature a hob, cooking utensils, crockery and cutlery.

BATHROOMS

All our bathrooms have underfloor heating, luxury fittings, illuminated steam free mirrors and ESPA toiletries. Most of our suites offer separate walk-in showers, with some offering romantic double ended in-room baths.

PRIVATE PATIOS

Some Mews suites have their own patio area or private courtyards with sunken private spa baths and dark wicker seating areas for your comfort and privacy. However, all guests can use the vast communal space and seating encompassing the Mews hydropool.

All Sopwell House dining facilities are available for you to enjoy throughout your stay

Or indulge in our luxury spa

Feeling at one with the secluded nature of the Hertfordshire hills, our self-indulgent country homes feature their own private courtyards with earthy dark wicker seating areas.

*We look forward to making your visit
an unforgettable experience.*
