ARC.

Driven by curiosity and guided by their senses and intuition, Peter Lute and his partner Marieke Lute became what they are today, inspiring entrepreneurs. As a judge of MasterChef Holland, Peter is a well-known chef and now he opened his fourth restaurant – ARC.

For Peter and Marieke Lute: “When we first took a look at the property, we felt the same feeling as 15 years ago at the place where we opened our first restaurant in Ouderkerk aan de Amstel. The energy, the property, the historical value, the nature and the magic. Everything knocked.”

Peter offers an original and exquisite cuisine in the new hotel. ARC. gives Peter Lute the opportunity to introduce a sophisticated but daring vision in the center of Amsterdam’s vibrant metropolis to local and international guests.
