## 1. Welcome to Croatia

*“If your Mediterranean fantasies feature balmy days by sapphire waters in the shade of ancient walled towns, Croatia is the place to turn them into reality.”*

*Croatia enjoys 2.715 hours of sunshine a year.  
That's more than Sydney, Australia.*

*Croatia has 1246 islands, islets and inlets for you to sail through.*

*Almost 10% of Croatia is made up of eleven nature parks, eight national parks and two nature reserves.*

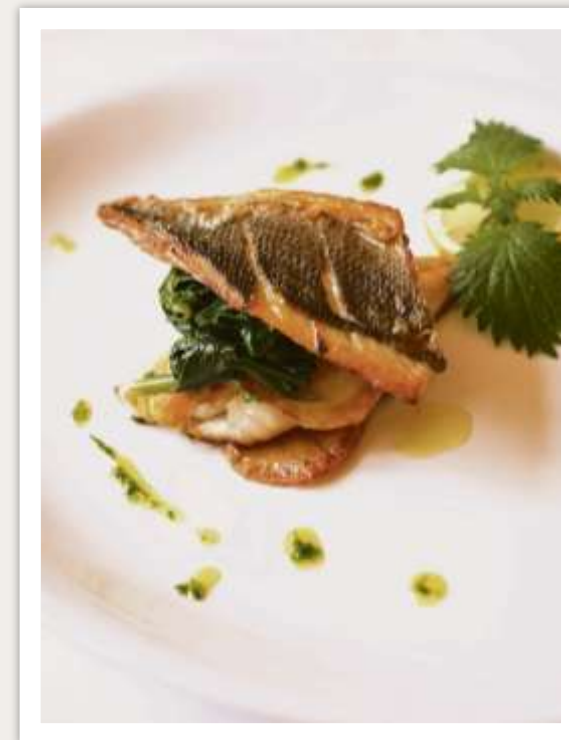

*Croatia is home of a lot of medieval hilltop towns, and of the smallest town in the world called Hum.*

*Croatians invented the necktie.*
