Château de Méry

“ all the meeting rooms forming a continuous unit around the courtyard ”

A stone's throw from Auvers-sur-Oise, the house is a subtle architectural mix of old and new. The meeting rooms are located at the heart of the elegant 17th-century chateau. A beautiful main courtyard can host your big events or product presentations. Close to the chateau, nestled in the huge 65-acre estate, the greenhouse beckons you into the 21st century. It houses bedrooms, the dining room, the bar and beautiful terraces in a contemporary style, offering a view of the magnificent countryside and just the right atmosphere for informal discussions.
