Close and convenient

Carton House is located just 14 miles from Dublin city centre and 30 minutes from Dublin International Airport.

You'll find everything within easy reach in Dublin and discover a capital city that effortlessly blends culture and commerce; history and hospitality; world class restaurants and a warm welcome everywhere. It's how we do things – in Ireland and at Carton House.

Travelling by car?

From Dublin, take the N4 motorway westbound turning off on the Leixlip/Celbridge exit. Then simply follow the signs to Carton House. You're just 5 minutes away.

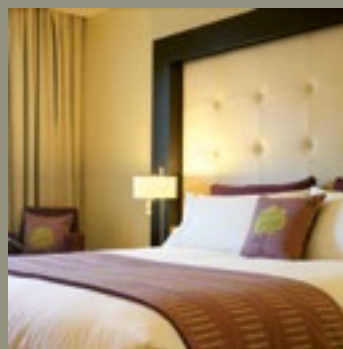

Travelling by train?

Look for Maynooth station on the Western Suburban railway line. It's a short 40-minute train journey from Dublin and then just a 5-minute taxi ride from Maynooth station to Carton House.

Travelling by air?

Dublin International Airport serves all major European and international destinations. For onward travel by car, follow signs to the M1, M50, then the N4. Or we can recommend taxi and chauffeur services. For executive travellers arriving at Weston Airport, the N4 is close by and very convenient. Arrangements can also be made to land at Carton House by helicopter.

However you decide to travel, if you need further assistance or advice, please contact us. We'll be happy to help.

Planning for success

There's plenty to think about. What do you need? Quiet, with a bit of grandeur? Modern, yet sophisticated? Surround-sound PA system? Remote-controlled lighting? Lecterns? The checklist is a starting point. But the difference is in the detail. And our highly skilled conference and events team know all about detail.

Will you need some teambuilding exercises? Ireland Xtreme at Carton House have the only tailor-made teambuilding resort in Ireland offering a unique combination of forest adventure, ropes course, 4x4 driving, blind driving and a survivor zone. All within 5 minutes' walking distance of the hotel entrance.

Have you considered how your guests will spend their leisure time? In the Darphin Luxury Spa or our courtyard swimming pool? Out on our two championship golf courses or getting into practice at the GUI National Academy? Perhaps cycling around the beautiful 1,100 acres or fishing for pike, trout or salmon?
