WELCOME

**Radisson Blu Astrid Hotel welcomes
guests to the diamond capital of the world.**

Located in Antwerp's city center, the Radisson Blu Astrid Hotel places the city's beauty just outside your door. Across the city's historic train station, the hotel finds its home in the square bearing the same name. Choose from 253 stylish rooms, suites and apartments. Free high-speed Wi-Fi is available for all guests. Start the day with a magnificent super breakfast or enjoy a delicious meal in the onsite restaurant. Work out in the fitness centre or take a dip in our indoor swimming pool. The hotel dedicates two floors to fully equipped conference facilities that include 15 meeting & event rooms.

ROOMS & SUITES

Indulge in one of the 253 beautiful and stylish guest rooms. The bespoke headboard, built-in bedside tables and comfortable seat blend into one stand-out piece, serving a variety of purposes - sleeping, eating, relaxing, working, watching TV. Above the headboard, the feature wallpaper, which has been custom made, has become a statement artwork itself, showcasing Antwerp's most characteristic landmarks, with the magnificent train station in the centre.

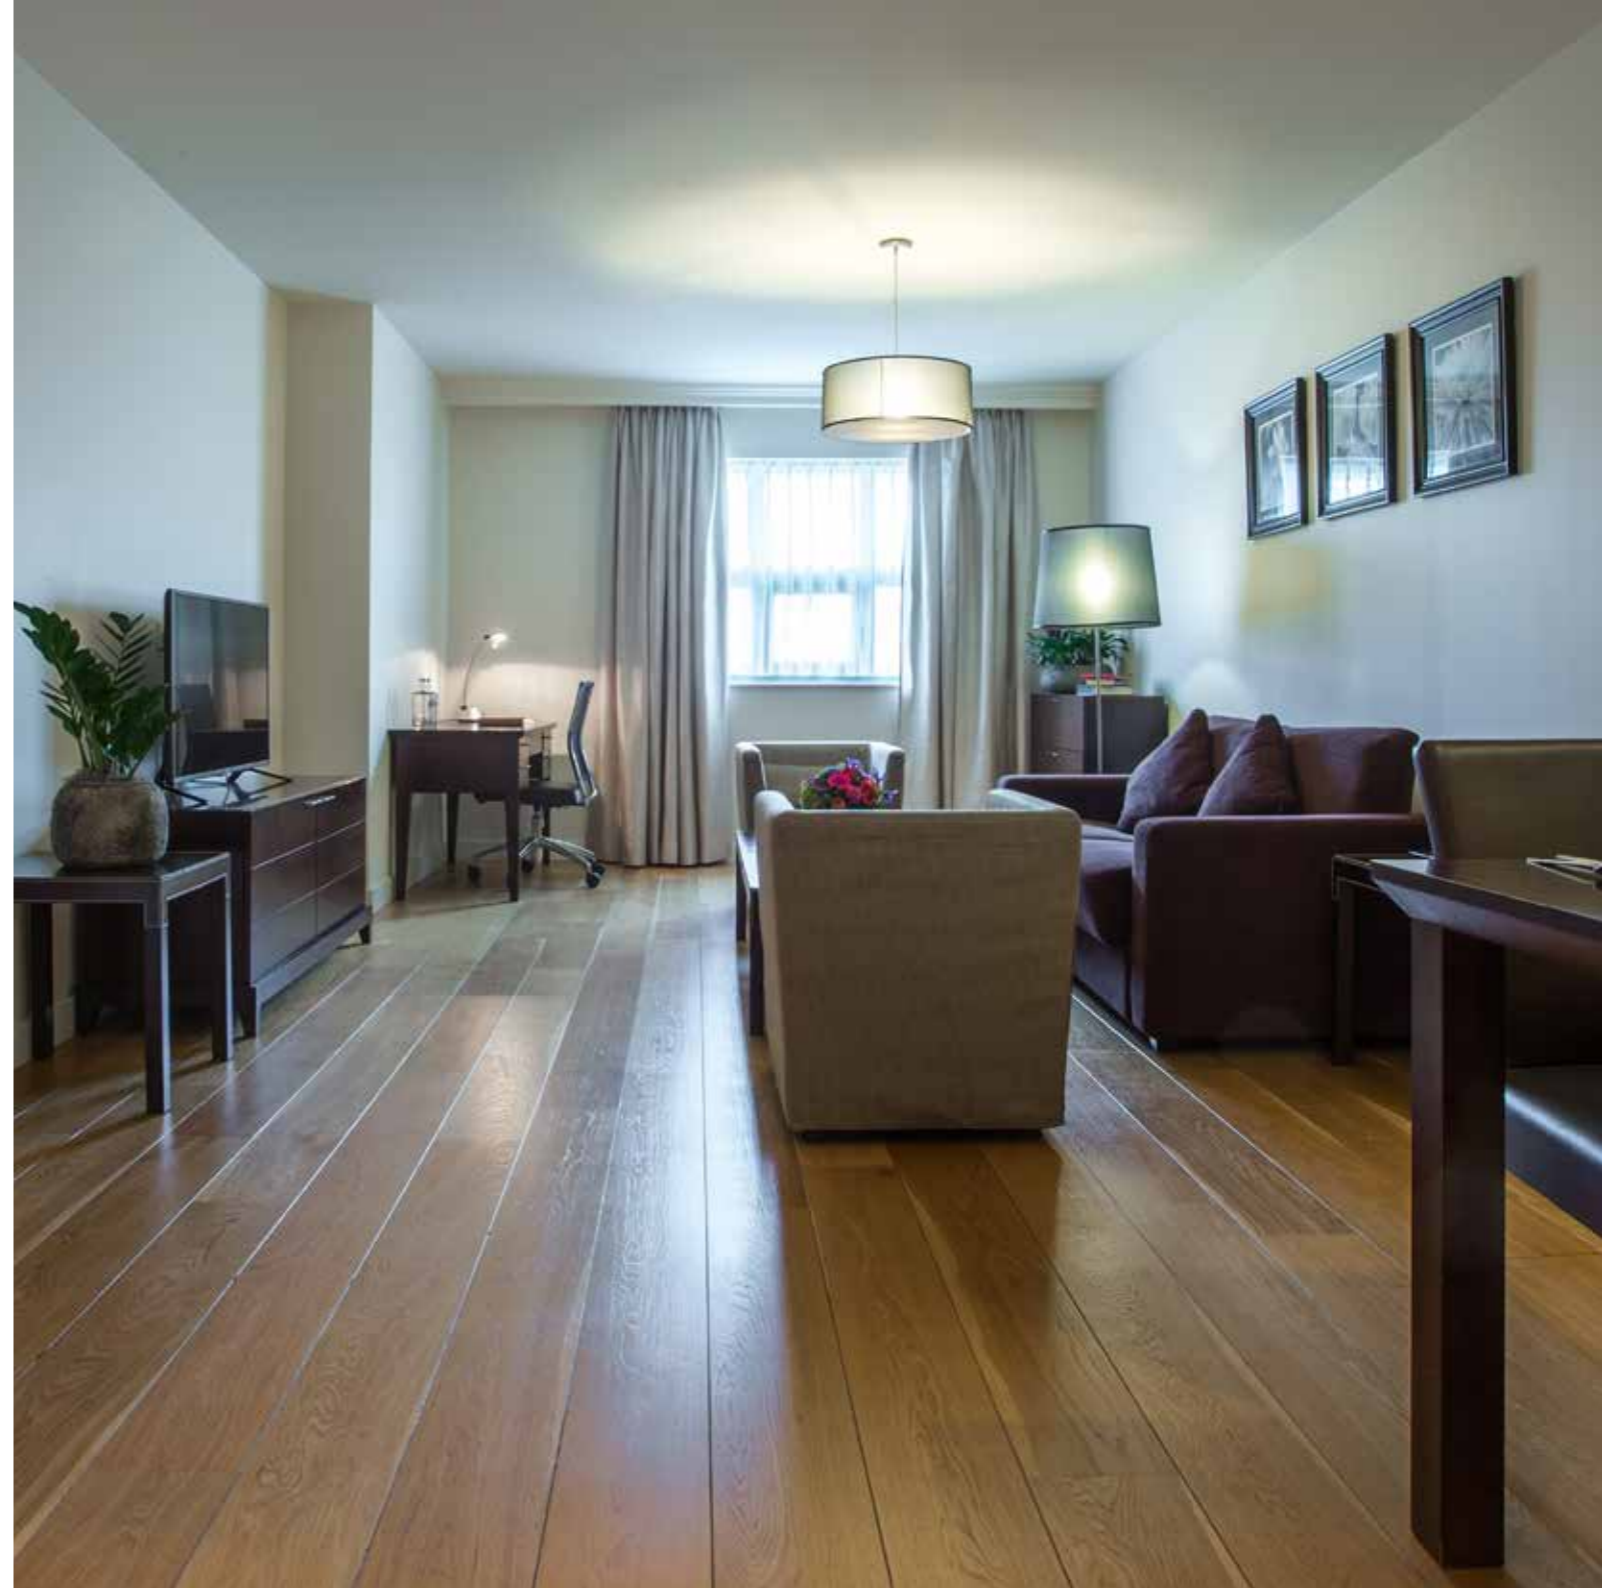

The iconic chair, which is the centrepiece in the space, was designed exclusively for this hotel, drawing in on the post-modern architecture of the building, inviting guests to sit back and enjoy. The distinctive rug underneath the sofa features the strong, bright colours of post-modern architecture but also offers a luxurious feel to the room.

The premium rooms and suites include amenities like free high-speed Internet access and beautiful views overlooking the Astrid Square or Antwerp's city centre.

APARTMENT SUITES

Radisson Blu Astrid Hotel provides 19 fully equipped deluxe apartments with all the comfort, services and benefits of a four-star hotel. The apartments have a seating area, dining space, kitchenette, separate bedroom and luxury bathroom. These contemporary apartments prove to be an ideal home away from home.

RESTAURANTS & BARS

Located on the 2nd floor overlooking Astrid Square the restaurant Aurora offers a delicious Radisson Blu Super Breakfast.

Restaurant Made in Antwerp offers a fresh, local, healthy and contemporary cuisine in an informal setting with a modern yet lasting design concept. The fireplace and the seating area around it create a warm and inviting homely environment, inviting guests to step in to the bar and restaurant.

Made in Antwerp showcases high quality, locally sourced products from the region and the country. Honouring the rich Belgian drinks culture, we serve a large variety of local and Belgian beers and spirits and a selection of Belgian wines.

Private dining room The Diamond is the gem of the second floor. With its remarkable oval shape, the Diamond is the perfect venue for dinner or cocktails, offering a stunning view on the magnificent Antwerp Central Station. Architect Alex Kravetz' references to diamonds can be found in the diamond shaped lighting on the wall sconces, the signature chandelier reflecting light like a diamond's facets and the diamond shaped pattern of the flooring, creating a sophisticated and yet warm atmosphere. The Diamond connects to the breakfast room, which is also the ideal venue for group lunches and dinners.
