- 10 multifunctional rooms
- Located in the souterrain
- Rooms with direct and indirect daylight
- Beamer and projection screen
- Audiovisual techniques possible
- Free parking and Wi-Fi
- Rooms can accommodate up to 350 people

In 1996 the Estate Duin & Kruidberg was extended with a conference centre. Since the estate is a national monument, the expansion was not simple. At the time the choice was made for a very innovative solution: the conference centre was to be built half underground. In this way the estate could enlarge its meeting capacity without damaging the appearance. In 2008 a part of the conference centre was entirely renovated and modernized. In 2012 8 rooms were renovated. Working in co-operation with our audio-visual partners we can take care of all the audio-visual equipment you require.

# Nova Zembla

**Welcome to Nova Zembla, a unique place for a special occasion!**

The doors of the authentic Coach Nova Zembla recently officially opened and is now used as a new meeting and event location. Nova Zembla was built in 1899 and was initially used as a butler house and stables of the Cremer family and their guests. In 1920, the stables were converted into homes for the offspring of Jacob Theodoor Cremer. In the cold winter months Nova Zembla was used as a residence, because the mansion was very difficult to get warm.

Duin & Kruidberg Country Estate used Nova Zembla until recently as office space and for storage. Since the opening of the new office wing, Nova Zembla is available for our guests and now our guests can have meetings, dinners, barbecues, car presentations, fashion shows, inspirational sessions, team-building activities or receptions.

In 2005 Michelin awarded a star to this restaurant. It is located in the former 'summer' living room and conservatory of the country house of the Cremer family and it can hold up to 40 guests.

The kitchen staff, under the inspiring leadership of chef Alain Alders, prepare international and seasonal dishes. Our Maître Sommelier Ruth Engels-Siegers, serves various wine selections and will be glad to advise you if you want to make your own choice.

Restaurant De Vrienden van Jacob is open throughout the year from Tuesday to Saturday. As from 6.00 p.m.
