## EXCELLENT FACILITIES

Enjoy good food and beverages at our à la carte restaurant, buffet restaurant or hotel bar. Organize meetings, social events, ceremonies or conferences in one of our eleven function rooms, with professional facilities and room for up to 350 persons. Have a good time at our wonderful wellness area, including fitness center, beauty salon and outdoor swimming pool. Free WiFi access is provided throughout the hotel.

### **Breakfast, lunch and dinner at *Buffet 't IJ***

The extensive breakfast buffet offers delicious egg specialties and a wide range of breakfast classics: from fresh orange juice, warm croissants and kick-start smoothies to fluffy pancakes covered in maple syrup or oatmeal porridge topped with super foods. We also serve an extensive buffet for lunch and dinner.

### **Fine dining in *Restaurant Amstelle***

Enjoy fine dining in à la carte Restaurant Amstelle. Its classic interior is designed with wood, marble and dark green velvet, and decorated with an impressive Dutch landscape wall painting. In an open kitchen, the Chefs prepare dishes with love and high-quality ingredients. Our staff makes sure your evening here will be perfect.

### **Quality time at *Bar Mokum***

Mokum is local slang for Amsterdam. We replaced the K in this sturdy nickname with the Q of quality. A reference to the positive city vibe, high service and quality you can expect from us. The interior is impressive, the grandeur of the city is tangible, but no pressure here. This is where hotel guests and locals meet. To sip cocktails, taste burgers, curries or salads from the bar menu, or simply enjoy the atmosphere.

### **Refresh at *Wellness De Tropen***

You'll feel refreshed and energized after a visit to Wellness De Tropen. It's designed in tune with the natural habitat of our company icon, the toucan. Our wellness area has floor space of over 210 square meters and a 5 meters high ceiling. Included are an outdoor pool, sauna, steam bath, infrared sauna, jungle shower and Rasul bath, an ancient healing clay treatment for deep cleansing and nurturing of your body.

### **Workout at *Gym Adam*, relax at *Day Spa Eva***

Exercise or workout at our fully equipped fitness center. On request, we'll arrange a personal trainer. If you prefer to sweat outside, we'll gladly advise you on running trails starting from the hotel.

Feel more like taking it easy? Let yourself be pampered with a professional beauty treatment or relaxing massage in our beauty salon.
