THE
BARCELONA
EDITION

A sophisticated and cozy pool room. The room features a large pool table with a yellow felt top and a dark, ornate cast-iron frame. The table is set on a large, patterned rug. In the background, a vibrant green tufted sofa is positioned against a wood-paneled wall, with a framed painting of a figure with a red rectangular object above it. To the right, several plush leather armchairs in a rich orange-brown hue are arranged around small round tables, each holding a lit candle. The ceiling is made of wood panels with recessed lighting, and the floor is a herringbone wood pattern. Large windows on the right are covered with light-colored vertical blinds. The overall atmosphere is warm and elegant.
