INSIDER COLLECTION

The Insider Collection allows you to benefit from the hotel's unrivalled local knowledge. Often inspired by the destination itself, these experiences can be tailored to any event or meeting, ensuring positive results and an experience to remember.

INSIDER LOCATIONS

Insider Locations give you an opportunity to base some of your events away from the hotel. We offer exclusive access to a variety of venues and experiences, allowing delegates to experience a side of the destination that visitors rarely see. This includes the Islamic Museum, Souq Waqif, Katara Culture Village and many other locations.

INSIDER SPEAKERS

An appropriate speaker can bring your event to life and really inspire your delegates. Insider Speakers range from celebrities and cultural experts to sporting heroes, all with a local connection, such as Khalifa Haroon of "I love Qatar" to Nasser Al Attiyah, the Qatari rally driver.

INSIDER COMMUNITY

Insider Community events allow delegates to make a positive difference to the community they are visiting. Activities are varied and can range from painting a mural at a local school, to preparing a visit to the special needs organizations such as ShafAllah and Best Buddies.

INSIDER INTERACTIONS

The hotel offers a range of team-building experiences which can be based on-site or in the local area. These experiences are a unique way to engage and motivate delegates while giving them a chance to interact with their destination by celebrating national days and local events.

INSIDER BREAKS

Insider Breaks make a coffee stop an event itself. Choose from a selection of ideas that will ensure your delegates are inspired throughout the day, with breaks that include a talk from the concierge on local sights or a live cooking station hosted by the hotel's executive chef showcasing local recipes.
