SENTRO LOUNGE & MORE

A centric location for the best gastronomic sensations, our restaurant offers a seasonal menu based on traditional Belgian and European recipes focused on sustainable and local sourcing of produce. An all Day Dining concept that incorporates healthy and light options taking into account dietary requirements.

Quoting our chef, Vincent Masson "this is a cuisine to share the culinary emotions of my different experiences in Europe". Emotions and sensations that awaken through different cooking methods like charcoal, plancha or the stone based oven, creating dishes with unique combinations of taste and texture which are served in warm terracota plating for a surprising culinary experience.
