TEST DRIVE ROUTE I

St.-Jean-Cap-Ferrat is a beautifully situated seaside and winter resort sought after for its tranquillity. The Cape, situated at the extreme southern point, extends north to the mainland where on one side lies the romantic historical fishing village of Villefranche-sur-Mer and on the other side the peaceful Baie des Fourmis of Beaulieu-Sur-Mer. The hotel is a starting line to discover the “3 Corniches”. This gorgeous set up gives a special light for shooting and filming. You can receive your car at the Nice International Airport and begin a choice of scenic roads.

TEST DRIVE ROUTE II

James Bond has driven his Aston Martin on the legendary Grande Corniche which overlooks The Cape and Mediterranean Sea... no doubt 007 is a man of taste! Like him, enjoy this European playground to experience all type of cars. A cabrio could be the right choice to stop for a BBQ on the beach. Or, perhaps you would prefer an inland adventure with a 4x4 and a picnic at Col de Turini? Clients, journalists, dealers or any car lovers will be charmed by this area.

TEST DRIVE ROUTE III - RACE CIRCUIT

You can experience one of the most scenic circuits to combine all types of roads from the Nice International Airport to Vintimiglia, Breil sur Roya, Col de Brouis, Sospel, Menton and return to Saint-Jean-Cap-Ferrat with a total of 150 kilometers, 2h30 drive. For the most powerful cars, the region offers race circuits near the Royal-Riviera, such as the world famous Paul Ricard in Le Castellet or Le Luc which is only a 2 hour drive from the hotel.
