## THE PINNACLE OF PLEASURE

---

On the banks of the Moselle River, charmingly tucked away among vineyards that run like a ribbon through the region, Victor's Residenz-Hotel Schloss Berg is ideally suited for pastoral pleasures and lavish luxuries alike.

The moment you first feast your eyes on the impressive ensemble of Roman-style Mediterranean villa and fairytale Renaissance castle, you'll know: a whole new world of splendour and serenity lies before you.

Thanks to its exclusive location, in the very heart of the border triangle between Germany, Luxembourg and France, our 5 star superior establishment offers a colorful palette of possibilities to create lasting memories of your stay – enjoy wine tastings at local wineries, for example, or excursions on foot or by bike to explore the scenically stunning surroundings. Allow us to inspire you in the historical ambiance of our magical retreat.

## SUITE DREAMS

---

Ohh, you'll dream of this for years to come: 95 times „Wow!“ for our stylish rooms and exclusive suites. While the Roman villa oozes genuine Mediterranean elegance, the Renaissance castle welcomes you in the same enchanting ambiance in which knights and noblewomen once lived: the divine suites (Göttersuiten) will have you feeling as if you were floating on clouds. Enjoy moments of blissful relaxation on your balcony or terrace, overlooking the charming courtyard, or marvel at the romantic views across the vineyards.

With us, you are always connected: Victor's PhoneFlat allows for phone calls to all landlines and mobiles worldwide free of charge from your room. We offer you free Wi-Fi throughout the whole hotel. And Victor's SkyTV gives you a great selection of live sports action and cinematic highlights free of charge in your room.

## CREATIVE CULINARY CONCEPTS

---

Enjoy a delicious dining experience at our *Bacchus* restaurant, where we will take you on an extraordinary voyage culinaire along the Mediterranean coast: from scrumptious starters and flavorsome fresh fish all the way to sinfully sweet crème brûlée.

Should you fancy some heartier fare, then *Victor's rustic country tavern Die Scheune* is perfect for you. Regional specialties and seasonal delicacies are served in charming, cosy surroundings along with a big helping of warm cordiality – in front of the crackling fireplace or in our lovely beer garden.

Feel like relaxing in style with a glass of fine wine or a cool cocktail in hand? The *Lobby-Bar* is the place to be. It also serves coffee, cake and other princely pleasures of the palate from our very own pâtisserie. And after a long, but beautiful day, come unwind with a refreshing drink in the loungy atmosphere of *Caesar's Bar*.

## ABSOLUTELY FABULICIOUS!
