FRIENDLY AND HOMELY

Located just a few metres away from the Bostalsee lake, our 4-star establishment is known for its authentic country-home style. The 99 homely rooms are furnished with great attention to detail. Guest can enjoy free use of the telephone in their rooms to call anywhere in the world, whether a landline or a mobile number, as well as a selection of different SKY programmes and free, basic WiFi. And that's just inside! Outside, the picturesque Saint Wendel region, with its many cycling trails and hiking paths, is literally waiting to be discovered.

A GOURMET'S PARADISE

Saarland is a region renowned for fine food and wine – and you can taste it right here! Why not try authentic dishes from Saarland, as well as delicious international cuisine, in Weingärtner's Restaurant, complete with its sunny patio? Or are you more the traditional type? Then indulge in a cool Pils in our Bierstube, or enjoy our cosy barbeque hut. With room for up to 80 people, it's the perfect place for a fun evening with friends.

HEALTH AND BEAUTY

Our health and beauty oasis with indoor swimming pool, whirlpool, steam bath and sauna is a haven for relaxing and recharging your batteries. Victor's Romantik Spa next door is also the perfect place to allow your beauty to radiate in a new light. Our beauty experts will pamper you with invigorating massages, exfoliating treatments and facials.

MEETINGS & FUNCTIONS

Our function rooms are great venues for celebrating your private event. Our events team will turn your wedding, anniversary or Christmas party into an unforgettable event, ensuring happy guests and a happy host.

If you're planning a corporate event, our seven conference rooms – all with natural daylight and black-out facilities – are equipped with the latest technology and ensure a pleasant, tranquil venue for a productive meeting or presentation.
