BAL

A spectacular journey

Standing atop the majestic cliff of Nusa Dua, with breathtaking views of the Indian Ocean and a tropical garden, The Apurva Kempinski Bali offers the epitome of beachfront luxury. This grand property presents itself as a majestic open-air theatre, an embodiment of Indonesian elegance.

Award-winning architect Budiman Hendropurnomo of Denton Corker Marshall and highly-aclaimed interior designer Rudy Dodo of Trivium Design Group worked together in creating a curated design masterpiece. From the unmistakeable characteristic of Balinese architecture, landscape and guiding principle, to the Indonesian-inspired interior design aesthetics, the nation's heritage and meticulous craftsmanship are thoroughly reflected throughout the hotel.

Honouring the nation's belief of unity in diversity, the hotel establishes its distinctiveness as a tribute to the richness of Indonesian cultural heritage.
