GERA

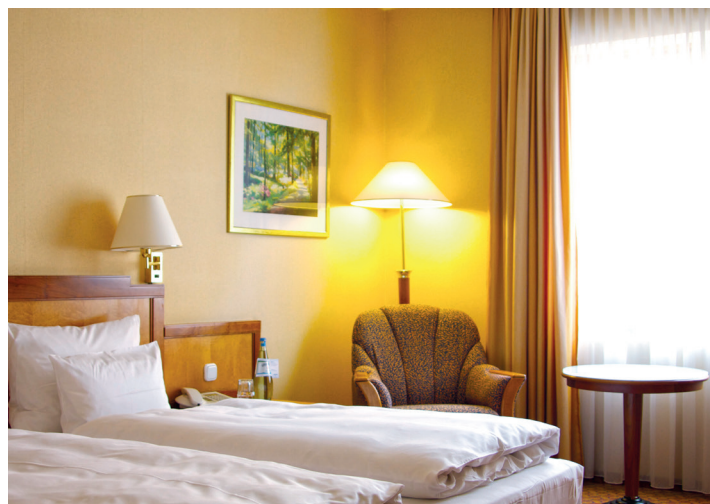

## good to know

If you wanted more of the same, you wouldn't choose pentahotel Gera. Your thing is to dive into the real experience, find the different. Great. We understand each other. We're right in the historic centre of Gera, surrounded by parks, restaurants and attractions, but don't expect the usual from penta. This 164-bedroom concept in the heart of Gera's Untermhaus begins for guests with our unique pentalounge. It's been designed by the superbly skilled Italian architect Matteo Thun to be a restaurant, bar, meeting spot and chill-out area all in one. From this point on, the relaxation only increases.
