Located in the Salamanca quarter, the most emblematic and exclusive neighbourhood of the centre, BLESS Hotel Madrid stands out for its unique style and timeless design, capturing the essence of the capital. We are only steps away from the best attractions, museums, points of cultural interest, designer shops and nightlife offers.

## RESTAURANTS & BARS

Our gastronomic guru is Chef Martín Berasategui. With his 10 Michelin star expertise, he presents authentic and healthy creations, redefining haute cuisine, while truly embracing Basque gastronomy, in his signature restaurant, Etxeko. Berasategui will also oversee the hotel's outlets, making each much more than just a gastronomic experience. Exquisite is our mantra...

## FETÉN CLANDESTINE BAR & BOWLING ALLEY

Guests will enjoy themselves without limits at Fetén, our New York style speakeasy on the bottom floor. A vintage bowling alley awaits them, along with a dimly lit bar with chic decoration, where the clock doesn't run and time zones disappear.

## SKY LOUNGE PICOS PARDOS

There is an undeniable beauty found within contrasts. Nothing is as satisfying as escaping the city only to be submerged in the green nature and touch the blue sky. A dip in the rooftop pool is the perfect way to refresh, by day or by night. Here, guests will find a moment to disconnect from it all and enjoy life with good company, while admiring the spectacular panoramic views.
