

INSPIRED ACCOMMODATIONS IN THE GOTHIC QUARTER

KIMPTON
VIVIDORA
HOTEL

Not just in Barcelona's famed Gothic Quarter, but of it, Kimpton Vividora Hotel effortlessly fuses a sense of contemporary luxury with the dynamic culture and artistic spirit of the neighbourhood. At once a relaxing escape and vibrant hub for locals and travellers alike, our boutique hotel is a home away from home for those seeking to experience Barcelona as an insider. Each of our 156 rooms and suites guest rooms are thoughtfully designed and efficiently planned. Standout amenities include a rooftop pool and terrace with sweeping views of the city centre, a slate of in-house creative programming featuring local artists and musicians, and three distinct culinary spaces serving up authentic fare. Design details draw on the natural components of the old city—stone, water, and greenery—to bring the Barri Gòtic to life inside the hotel, and the common spaces and guest rooms evoke the stylish intimacy of an upscale Barcelona residence. The interplay of these elements makes for an enticing atmosphere and an unforgettable stay in the heart of the city.

Whatever adventures you discover in Barcelona, you'll return to a hotel that plays its dual role impeccably—that of a sophisticated urban retreat as well as a local mainstay creatively engaged with its vibrant surrounding community.

MEETINGS AND EVENTS

At Kimpton Vividora, we've eschewed dedicated event venues in favour of possibilities provided by the beautiful dining and lounge spaces beloved by our guests and neighbours. Whether you are hosting a corporate retreat, a birthday celebration or even a wedding, you'll find our venue offerings set the scene for unforgettable gatherings.

CAFÉ GOT

Large glass windows draw guests and locals inside Café Got, sitting pretty on the ground floor of Kimpton Vividora Hotel. By day, the space is a bustling café, where you can pop in for a delicious *café amb llet*, Catalan cheeses and charcuterie. Café Got comes into its own as day transitions into night and conversations unfold over natural wines, artisanal vermouth and clever cocktails.

TERRAZA DE VIVI

If you think a refreshing cocktail is best paired with tempting small plates and expansive views of the old city, then you'll want to take the elevator up to Terraza de Vivi, our rooftop bar and terrace. Anchored by a sleek, design-forward bar, this airy outdoor space is accented with chic lighting pieces and shading elements as well as abundant local flora. Grab a table, a booth or simply sidle up to the bar and observe the scene around you while you sip, snack and socialize.

RESTAURANT FAUNA

Perched one floor above the lively streets of the Gothic quarter, Restaurant Fauna calls to mind the warmth and relaxed elegance of a classic Barcelonian bourgeois family home. Natural light pours into the restaurant by day, showcasing the handsome Spanish tilework and soft-hued furnishings, while the pleasant glow of mood lighting illuminates the open spaces and intimate corners by night. The Mediterranean menu champions local ingredients, and includes a selection of dishes that are both comforting and exciting.
