# Spaces for Events

**Casa Bonay is a hotel in a Neoclassical building from 1869, based in the heart of Barcelona. We restored the building from top to bottom, from the floors to the roofs, so that you can enjoy Barcelona as we do.**

**We've got a total of five spaces that can be adapted to the needs of any type of event. From a terrace surrounded by an urban garden perfect for a barbecue with friends to a space capable of hosting an event with 250 pax, all in the centre of Barcelona.**
