

The image captures a luxurious interior space. A large, multi-tiered chandelier made of thousands of small, glowing crystals hangs from the ceiling, casting a warm, golden light. Below it, a curved wall is covered in a shimmering, gold-colored mosaic or tile pattern. A modern staircase with white steps and a dark wood handrail is visible, leading up from a pool of water. The water reflects the light from the chandelier and the wall. In the foreground, a planter box with green plants and yellow flowers sits on the edge of the pool. The overall atmosphere is one of elegance and high-end design.

MIAMI BEACH

DISCOVER THE ENDLESS POSSIBILITIES  
OF FONTAINEBLEAU®

Today, Fontainebleau® can be summed up in two simple words: endless possibilities. A spectacular blend of Golden Era glamour and modern luxury, Fontainebleau® reinvents the original vision of legendary architect Morris Lapidus—a stage where everyone plays their unique part. We invite you to immerse yourself in a hotel experience like no other, that's all about invention, expression, and of course, how you define a perfect day. Every Team Member at Fontainebleau® is committed to creating memorable experiences for you and exceeding your expectations.

## DIVE IN

Surrender to the bliss of sun, sea and sparkling pools. The hotel's poolscape is an exhilarating environment of 11 unique pools surrounded by luxurious, full-service cabanas, framing the signature Bowtie Pool at its center. If your preference is the beach, relax and spend a memorable day chasing waves along miles of pristine shoreline just steps from your room. This renowned oceanside gem is as glamorous as when James Bond and Goldfinger sat by the water's edge for a heated game of gin rummy.

# INDULGE

At the direction of culinary talents from around the globe, Fontainebleau® offers 12 fine dining and casual restaurants. Innovative culinary concepts are created on-site daily, in sophisticated surroundings with impeccable service. In addition to our award-winning signature restaurants, guests may dine oceanfront at La Côte's Mediterranean-inspired seaside escape, indulge their sweet tooth at Chez Bon Bon®, our artisanal coffee, pastry and chocolate shop, grab a quick bite poolside, enjoy flavorful pizzas and burgers and inspired cocktails with family and friends at Pizza & Burger by Michael Mina or delve into mouthwatering options at Vida and Blade® Sushi.

# SIGNATURE DINING

Three award-winning masterful culinary experiences await. Led by celebrity chef and TV personality Scott Conant, Scarpetta® offers a regional Italian menu combining the simplicity of Italy's cucina rustica with the refined flavors of fine cuisine amidst breathtaking views of the Atlantic Ocean and beautifully lit pools. Hakkasan®, the pioneering Michelin-star concept delights diners with authentic modern Chinese fare that transcends convention in an elegant Chinois interior design. StripSteak® by Michael Mina plays to the hotel's original roots, offering the highest quality cuts direct from the on-site aging room, a world-class selection of fresh seafood, homemade pasta, signature sides, decadent desserts and eclectic wines, all combined with attentive service.
