VILA VITA Parc presents a multi-sensory gastronomic experience with its choices of fine eateries and oceanfront venues.

Wine, dine and unwind with libations and cuisine which range from traditional to modern: from the two-starred Michelin Ocean restaurant, to the rustic Portuguese Adega, the contemporary Japanese Mizu-Teppanyaki, or the chic beachside Arte Náutica, all of our restaurants and bars are unpretentious and inviting, reflecting our belief that dining should be relaxing, entertaining and gratifying.
