

Sheraton Essen in Short

Effortless experiences and smarter stays make time for more exploration in unexpected surroundings.

UNEXPECTED SURROUNDINGS

The Sheraton Essen Hotel is privileged surrounded by the City Park and the Philharmonic Hall and in short walking distance to the city center, main train station and the popular restaurant and bar district along the Rüttenscheider Street.

Besides its industrial heritage the destination Essen is well known for its contemporary cultural program, featuring world known artists at cultural institutions like Folkwang Museum or the Aalto Theatre Opera House.

It transformed from an industrial headquarter to a modern city, presenting today highlights as the UNESCO World Heritage site Zeche Zollverein®, Villa Hügel and recreational areas like the Lake Baldeney.

STAY

The Sheraton Essen Hotel welcomes you in the city center of this Ruhr region metropolis. All 206 rooms and suites are modern in design and comfortably appointed, offering guests either park or city view. The hotel is a genuine component of the city's transformation, giving customers the possibility to relax in the very spacious rooms, recharging in Sheraton Sleep Experience® Beds, and experience the hotel and the city at their own pace.

FOOD & BEVERAGE

Taste our local and international dishes in the Bistro or Restaurant am Park, both offering a stunning view over the City Park.

The hotel bar is a popular meeting point and in the summer months, our terrace invites you to stay for a refreshing drink and seasonal cuisine.

MEET

The personal and private meeting space simplifies the whole process from booking and organizing to the realization of a seamless event in one of the four conference rooms with natural daylight and the latest technical equipment imaginative spaces set the scene for collaborative meetings.
