

The image shows the interior of a restaurant or tavern. The walls are made of rough-hewn stone, and the booths are upholstered in dark, tufted leather. There are several wooden tables and chairs arranged throughout the space. A large window on the right side provides a view of the outdoors. The lighting is warm and focused on the stone walls and the tufted leather.

TAVERNE GASPARD

Le Gaspar saura vite vous charmer. Au menu : une bouffe réconfortante, des cocktails originaux, une sélection soignée de bières locales et de spiritueux, et un service sympathique, dans le cadre classique d'une taverne. L'espace, un ancien entrepôt datant du XIXe siècle, a conservé en grande partie son décor authentique, auquel nous avons ajouté quelques touches de modernité. L'été venu, nous accueillons le beau temps sur notre grande terrasse de la rue de la Commune.

Gaspar's kitchen serves up fresh, pub-style cooking and wide variety of local beers and spirits. The menu: soulful staples, original cocktails and friendly service in a classic tavern setting. The space, originally a 19th-century warehouse, preserves much of its old-school furnishings but with a few novel kicks. And come summer, it welcomes the warm weather with its big terrace on rue de la Commune.
