

MS JACOB LAUNCH

“We’re delighted to have found the MS Jacob,” comments Jacob director Jost Deitmar. The hotel-owned launch will be used in a number of different ways. She is available to banquet guests at Louis C. Jacob and CARLS an der Elbphilharmonie for private parties and weddings. Companies can book the MS JACOB for events on the Elbe and Este too. And when the Elbe Philharmonic Hall opens, from 11 January 2017 a shuttle service directly to the concert hall's mooring is planned.

The 22-metre launch was built in 1949. Inside it offers a bar with a counter and a spacious lounge with up to **45 places to sit**. Comfortable cushions and poufs invite guests to linger a while, dream a little and quite simply enjoy the experience. In contrast to customary down-to-earth launches, the MS Jacob resembles a lounge. **On deck** there are another **15 places to sit** with a direct view over the water. In sunny weather, the open sky roof of the MS Jacob is a real delight.
