## Destination Information

INNSIDE Düsseldorf Derendorf

Düsseldorf, the capital of the state of Renania of North-Rhine Westphalia (Germany), is a modern, cultural, open and cosmopolitan city. It is famous for its carnivals and its highly fermented beer, Altbier

The charm of this city is due to the roots of its pompous past as capital of the German Empire, evident in each of the buildings that defines it as one of the most attractive cities in the country.
