Our larger suites

The Mallard Suite

Our largest conference suite is a magnificent space, able to accommodate up to 400 people. With its own adjoining bar area and huge floor to ceiling windows looking out onto the lake, it's bound to impress and inspire your delegates. Providing over 410m² of floor space, there are a wealth of opportunities for this room, from large conferences to functions to exhibitions, and it can be divided into four separate areas if preferred.

The Kingfisher Suite

Situated on the ground floor, this light and airy lakeside suite has enormous windows that make the most of the stunning views. With its own adjoining bar area and nearly 300 metres of flexible floor space, it can be tailored to suit your requirements and is perfect for large conferences and functions for up to 400 people.

The Whimbrel Marquee

Our permanent, rigid sided marquee is sure to give your event the wow factor. Measuring an impressive 540m² and reaching a height of 5 metres at its peak, it has capacity for 500 guests, or 800 when combined with the adjoining Kingfisher Suite. The full glass frontage lets in lots of natural light and maximises the wonderful view across the lake. Fitted with mains electric heating, lighting and power sockets, this sophisticated venue has everything you need for a successful event, from a gala dinner to a team building event. Its extra strong floor can support vehicles weighing up to 2.5 tonnes, making it a popular choice for product launches.

Food for thought

Our talented chefs have a wealth of experience in catering for events and enjoy the challenge of creating delicious dishes that will impress your guests. If you have something specific in mind, we will happily work with you to create a bespoke menu or suggest a style of cuisine that suits your requirements. Our menus are designed to cater for the majority of people, but they can be adapted so that they're gluten free or suitable for people with other food intolerances. Halal and Kosher dishes are available on request from our dedicated suppliers.

Working lunches

We can serve lunch to you in your meeting room, or for larger groups, in one of the break out areas adjacent to your suite. Our working buffets include homemade soups, sandwiches, wraps and fresh fruit, as well as fine cheeses and bite size desserts, so if time is of the essence, you won't have to sacrifice variety or choice.

Something different

Popular in the warmer months, our BBQs and hog roasts enable your party to make the most of the wonderful lake views while tucking into a finger-licking feast. Or maybe your delegates would enjoy a full afternoon cream tea, an essential part of any visit to the Cotswolds. Simply talk to us about your requirements and let us inspire you with imaginative suggestions.

The Brasserie

Looking out over the lake, our contemporary restaurant has two permanent lunchtime buffet stations, ensuring there is something for everyone. With three hot choices daily, a wide range of salads, and a selection breads and jacket potatoes with imaginative fillings, you can create your own favourite lunchtime meal, then finish off with tempting desserts, fruits and cheeses. The Brasserie can accommodate 400 people for lunch in one sitting and, when the weather is pleasant, the outdoor seating area is the ideal place to enjoy the lake view and take in some fresh air.

Private dining

Perhaps you would like one of our private lakeside suites or our grand marquee. Smaller rooms are available for private dining, so there are plenty of options for more intimate gatherings. Ideal for social occasions, our bowl food menu is packed with tantalisingly tasty dishes and includes a generous selection of appetizers, mains and desserts. We can provide a buffet for up to 800 guests.

Making you feel at home

Unlimited hot drinks, such as tea, cappuccinos, espressos and other popular beverages are provided, and unlimited soft drinks are available, ensuring that your delegates can top up on refreshments whenever they need to.

Motivating your team

Surrounded by lakes, woodland and countryside, the Cotswold Water Park offers an unrivalled setting for a huge range of outdoor team building activities that will motivate your staff and add an exciting dimension to your event. With a field the size of a football pitch just a short walk from the hotel and available to hire, there are limitless opportunities for large-scale outdoor events.

We work with three specialist providers, who have a broad range of expertise in mental and physical challenges, indoor and outdoor, and can give you lots of suggestions to fit your objectives. You can combine a number of different activities to create a tailored package, so the team building activities could be the main focus of your event or a fun addition to a conference.

The exhilarating range of water sports are a particular feature of the Cotswold Water Park. Perhaps your delegates would like to try wakeboarding or dragon boat racing. Or if they'd prefer to keep their feet on dry land, motorised vehicles, 'It's a Knockout' and treasure hunts are just a few of the popular activities that we offer.

Let us entertain you

Why not round off your event with a truly memorable evening of delicious food and entertainment? We offer a range of inventive themes ranging from glamorous casino nights to suspense building murder mysteries to feel good cabarets. Singing waiters provide a lively twist, while after dinner speakers make a great interlude. We would be happy to give you some suggestions to suit the size and scope of your event, so talk to us and let us inspire you.
